Mr. Gene Callahan  
229 North Durkin Drive  
Springfield, Illinois 62704

Dear Gene:

Thank you for your letter of June 28, 2005. As always, it was a pleasure to hear from you and hope this letter finds you in great health.

I certainly would be happy to meet with Dr. Fletcher at some point in time, but my schedule is really jammed for the next four to six weeks. Why don't you contact me in mid-August and we will set up a date when I can see him.

Thanks for taking the time to write to me.

Sincerely,

A handwritten signature in cursive script that reads "Bud".

Allan H. Selig  
Commissioner of Baseball
