Dear Mr. Fletcher:

Thank you for your letter of July 25, 2003. I certainly understand your very strong feelings relative to the Buck Weaver situation. As I have said, this is all under review and we will be very thorough in reviewing a very long history of the 1919 World Series.

Thank you for taking time to write to me, I appreciate your interest in this matter.

Sincerely,

A handwritten signature in black ink that reads "Bud Selig".
Allan H. Selig
Commissioner of Baseball
