Commissioner Allan H. (Bud) Selig  
Office of the Commissioner  
Major League Baseball  
777 E. Wisconsin Avenue  
Suite 3060  
Milwaukee, WI 53202

Dear Commissioner Selig,

On behalf of George "Buck" Weaver's living nieces, Pat Anderson and Marjorie Follett, along with thousands of baseball fans who have supported this cause, we are requesting a meeting with you to discuss the reinstatement of George "Buck" Weaver into Major League Baseball.

We believe that Buck Weaver was wrongly banned from baseball and deserves to have his reputation restored. His passion and life surrounded this sport and yet Major League Baseball still refuses to acknowledge his accomplishments as one of America's best ballplayers.

We know your time is valuable, but it is our hope that you will meet with us soon to discuss this important issue. Buck Weaver's elderly nieces are his only living relatives and it has been their lifelong quest to clear his name and give piece of mind to Buck's family and fans. We appreciate your consideration in this matter.

Sincerely,

Dr. David J. Fletcher
