Dear Dr. Fletcher:

Thank you for your letter relative to Marge Follett.

Unfortunately, the All-Star Game is an extremely hectic period for me and I have many scheduled events, so I really do not have time to have any more meetings. However, I am very sensitive to the concerns Marge Follett has raised and I do thank you for your thoughtfulness and kind invitation.

Thank you for taking time to write to me.

Sincerely,

A handwritten signature in black ink, appearing to read "Bud Selig", written over the typed name and title.

Allan H. Selig
Commissioner of Baseball
